Continuation - Briefly explain the reason for scholarship request, how it will impact your life and how you can help others:

I humbly request for your support in my studies, for the last three consecutive years I have been suffering going up and down for school fees. My parent have suffered alot as labourers in rich's farms to find school fees. Which they get little which cannot sustain me in school for the whole term. Villagers have tried to help me but they are also in the same situation of poverty.

In our school apart from school fees we also pay some money for remedial and we also watch set books every term which requires to be paid before the starting of the term. This has become a burden luggage to my parents. They have struggled enough and they are almost surrendering. They are almost to walking bare foot so that I can stay in school. But I always sent home six time per term.

It will benefir me if I will get scholarship. The journey of suffering will come to an end. I will improve in terms of performances in exams and also maintain high level of discipline to avoid being sent home for indiscipline cases.

I will spent most of my leisure time mostly giving pieces of advices to my colleagues. I will encourage them to live having faith that one day their problems will come to an end.

I Will also use the smallest thing i have to share with those
i don't have because i have tasted the bitterness of poverty.
I really need a scholarship support from you.
Yours Sincerely,
Duncan,
Duncan Murithi.
