**Continuation** - Briefly explain the reason for scholarship request, how it will impact your life and how you can help others:

I am Dibirah Gatonga from Kajuki Secondary School in form three. I humbly request of a Scholarship so that I can achieve my best in my academic studies. I have a major problem on paying school fees because I come from a very humble background, whereby my dad deceased when I was in class six and we were left with our mother alone.

My mother is not educated hence she has no job. She is just a local farmer whereby she depends on rainfall seasons. For the last three seasons there were no enough rainfall whereby she couldn't have some food to cater for me and more also my brothers. For the last three terms I have a very huge school balances due to that effect. I am always stressed due to that school fees balances because I am in form three and I couldn't see anywhere she can get all that money. This has led to the lowering of my grade because am always at home for the school fees. I have been getting a B Plain and above but now I have seriously dropped to B minus whereby the most serious problem is school fees.

I wish you will give me a scholarship so that I can achieve my goal as a doctor. I hope that you will do so and change my life and more also our family and community in large. I promise to help others who need help after I pursue my education.

I hereby look forward to your kind consideration  
Yours sincerely  
~~DP~~  
Dibira Gatonga.
