*Continuation* - Briefly explain the reason for scholarship request, how it will impact your life and how you can help others.

She tries to pay my school fees but sometimes she has no money. We are not financially stable. She is a single mother her job got ruined after I joined form 1 ~~by~~ <sup>by</sup> the covid 19 pandemic. She had a shop but that's the time when covid affected her business. Since form one she has tried to pay the school fees and I still have other two siblings in highschool a sister and a brother. Sister in a dayschool form one and a brother in a boarding school kijabe boys. My mom does not have a job for now ~~but~~ she washes clothes for people, utensils sometimes in small hotels. I am hopeful that you will consider my request. I will be able to perform well and even challenge to work hard until I get good grades and achieve my dreams. I will help those people who are facing challenges like me. Especially school fees I believe education is the key to success. It has not been easy for me and my family for these 3 years. I have been in high school. If given the scholarship I will be so glad because it has always been my dream that one day all the prayers I pray ~~and~~ ~~that~~ that I will find a helper to support me in my studies. I am a bright student but sometimes <sup>how</sup> it's very challenging to concentrate in class thinking of the next minute I might be sent home to collect school fees. When I am back in school I usually struggle to catch up. Thank you consider my request.

I will be at peace knowing that many of the distractions won't be there anymore. I'm glad to know that if I get the opportunity to achieve my big dreams I will help people to pay back to the society as a thanksgiving. I will help students and we will altogether change lives.
