Continuation - Briefly explain the reason for scholarship request, how it will impact your life and how you can help others:

My name is Lispay Gitonga, a student in form one in Kajuki Sec school, I scored 311 in my KCPE and I am doing very well in secondary school.

I come from a very humble and poor background where both of my parents are poor peasant farmers without any other source of livelihood hence I am rarely in school due to issues of school fees.

My goal in life is to become a doctor and I believe through your support I will be able to achieve my dream that will be able to transform my life as well as that of my family and the larger community.

Our community is in a very arid climates with very high levels of poverty, hence my achievement in education, through your support will be inspiration to other young girls in our community who are faced with some many difficulties such as early marriages and female genital mutilation.

I look forward towards your support.

Sincerely yours,

~~Ce~~
