Continuation - Briefly explain the reason for scholarship request, how it will impact your life and how you can help others:

I humbly request for scholarship from KSF, I come from a poor background and I am an orphan struggling with my education as well on providing for my younger siblings who were left under my care since I am the first born in the family.

My education is occasionally supported by well wishers in this village, although I am always on and off in school.

I strongly believe that through your support I will be able to complete my education, get a good grade and join university there after I will be in a position to assist my younger siblings and other needy students in our poor arid community. My dream in life is to become a doctor so that I will be able to give back to our community.

I look forward towards your support.

Sincerely yours

Sharon MUKIRI
