Continuation - Briefly explain the reason for scholarship request, how it will impact your life and how you can help others:

I am the fourth born in a family of seven siblings. Where three of us are currently in school. All my parents are alive, but a few years ago my dad had an accident that injured one of his legs that resulted to him using clutches up to date. This has had a negative impact on his earnings since he cannot perform actively as he used to. However he still manages to do some work here and there to meet some of our the basic needs.

We've considered renting a small house to minimize family expenses but ~~the~~ ^{the} payment of our school fees still remains to be a huge challenge, I am still optimistic that God is able to open a door for me to finish my high school education and proceed to go to the university to pursue a career in music. I envision myself owning a music school where I can share my knowledge and empower youths who are interested in music.
